NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a large fall of goods and still they come.

Why, just look, the streets filled with dr-ys all loaded with new Goods.

FOR CREECH'S.

Just received, 5 CASES OF DRY GOODS, containing a large and varied assortment you when you look about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cents a per yard; want you look at them at 10 cents? and can't you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best department in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentleman warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the rosy Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listening winds received the song.
Come to CREECH'S.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Can't find them! Do you want them finer? I am just the man that has them; 6, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands and I hope, by strict attention to business representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage

IMPEACHMENT.

The history of tyrants, usurpers, and tyrannical factions the world over, proves that, as they increase in atrocity, power and influence, the desire for punishing them becomes more and more faint, and the talk of forgiveness and leniency becomes stronger and stronger every day. As the great prosecutor of Warren Hastings has said, "Our ideas of just es appear to be fairly conquered and overpowered by guilt when it becomes gigantic."

But this is not the view the people of North Carolina take of guilt. The criminals of the State have, heretofore, been generally obscure and feeble. Until recently they have never been armed with Enfield rifles, sabres and heavy artillery, and dressed at the same time in robes of authority. Such criminals may get beyond the jurisdiction of the people in most countries, but it will not be so in North Carolina.

That Governor Holden and Chief Justice Pearson are gigantic criminals is clearly established by the memorial of Mr. J. G. Moore, of Alamance, which we publish elsewhere, asking for their impeachment, and setting forth, very briefly, some of the grounds upon which it is asked.

But the necessity of visiting due punishment upon the gigantic criminals who, of their own wills, and to accomplish personal and party purposes have committed the acts set forth in this memorial, with many others equally heinous, rests upon still higher moral and constitutional grounds. The act of subverting the Constitution and setting aside and disregarding the great writ of *habeas corpus* on the part of Gov. Holden, and the failure to afford to the oppressed subject the relief which this writ guarantees him, on the part of Chief Justice Pearson, are matters of history, that, unchecked, will go down to posterity a precedent to future Governors and future Judges, who may, in like manner, desire to accomplish some sinister purpose by a like lawless exercise of arbitrary power, or a like neglect of performing a judicial duty. Hence the necessity of accompanying the history of these atrocious usurpations of power and neglect of judicial duty, with a history of the punishment which ought and must be meted out to those who thus defy the law and the Constitution.

It is not alone the cause of the memorialist, or the people of Alamance and Caswell, that is involved in the movement of impeachment; but the liberty and happiness of the whole people and of future generations, and the perpetuity and purity of our Republican institutions. A grave and responsible duty devolves upon the members of the Legislature in this matter; we believe they will show themselves equal to the emergency.

THE GOVERNOR'S MESSAGE.

The State document was laid before the House of Representatives on yesterday, read and ordered to be sent to the Senate. It was accompanied by an appendix, containing a rehash of the Ku Klux investigations, proclamations &c.

We have but hastily glanced over it; perhaps we may publish it hereafter. At any rate we shall pay our respects to it in some of its particulars; and endeavor to show some things overstated and some understated by His Excellency. But for the formality of sending an annual message to the Legislature, and saving a good deal of research among irrelevant matter, the Governor might just as well have made a general reference to the columns of the *Standard* for the last twelve or eighteen months.

Legislature of North Carolina.

SENATE.

TUESDAY, Nov. 22, 1870.

The Senate was called to order at 10 o'clock.

The following Senators came forward and were qualified viz: Messrs. Cowles, Linney, Blythe, Morehead and Hawkins—5.

The Senate agreed to go into the election of an Assistant Doorkeeper.

Mr. Robbins nominated Guilford Christmas (colored) of Warren, no other nomination being made the Senate proceeded to ballot. The whole number of votes cast 37. Christmas received 30, scattering 7.—Christmas was declared duly elected.

On motion a message was sent to the House informing that body of the readiness of the Senate to proceed to business.

The rules of order of the last session were adopted for the temporary use of the Senate.

Mr. Robbins moved that the Senator elect Mr. W. A. Smith, from Alamance and Guilford be allowed to present his credentials and be qualified.

After some discussion the motion prevailed by a vote of 43 yeas to 1, Mr. Graham voting in the negative.

Messrs. Smith and Barnett presented their credentials and were qualified.

Mr. Graham presented petitions from Messrs. L. C. Edwards, of Granville, and W. A. Bradsher, of Person, relating to illegal votes being cast in that Senatorial District, and claiming to have received a majority of the legal votes polled.

On motion of Mr. Graham, they were laid on the table for the present.

A communication from the Code Commission signed by Messrs. Rodman and Bailey was read.

Mr. Love moved that it be indefinitely postponed. It was well known by Senators on the floor of both parties that he introduced a bill to stop the pay of the Code Commissioners, there being no means of abolishing the office without an amendment to the Constitution. The bill, as he drew it, passed both Houses, no amendment was made to it, and yet the bill was not heard of after its passage. Members of the Code Commission know such was the disposition made of the bill, and though it was the expressed will of the General Assembly that the pay should stop, he had no doubt that the Commission had continued to draw pay to the amount of upwards of $5,000, or more. He withdrew his motion to indefinitely postpone and moved to lay it on the table, which prevailed.

Mr. Norment moved that when the Senate adjourn it adjourn to meet again on Friday next at 10 o'clock, in order to allow those Senators, who desired to do so, to participate, on Wednesday, in the Memorial ceremonies in honor of the late Gen. R. E. Lee and on Thursday set apart as the day for a National Thanksgiving. The motion prevailed and the Senate adjourned.

HOUSE OF REPRESENTATIVES.

TUESDAY, Nov. 22nd.

The House was called to order at 10 o'clock.

Mr. Speaker Jarvis in the Chair.

The journal of yesterday was read and approved.

The Principal and Assistant Clerks took the usual oath of office.

The roll was called and a quorum was ascertained, to be present.

The following members appeared, qualified and took their seats: Messrs. Gore, of Columbus, Buxton of Northampton, Furr of Stanly, Williamson, col. of Franklin, Johns of Rockingham, Lyon of Granville, Carson of Alexander, Smith of Wayne, Smith, col. of Halifax, Bryant, col. of Halifax, Woodhouse of Currituck and Jones, col. of Northampton.

On motion the House agreed to go into the election of an Engrossing Clerk.

Mr. Johnston of Buncombe nominated W. M. Hardy of Buncombe.

Mr. French nominated J. J. Sawyer, col. of Wake.

A ballot was taken and the vote stood, Hardy 71; Sawyer 30. Mr. Hardy was declared duly elected.

The election of an Assistant Doorkeeper being next in order, Mr. Tomlinson nominated J. H. Hill.

Ellison nominated I. B. Abbott, of Craven.

A vote being taken, Mr. Hill was elected by a vote of 66 to 34.

Messrs. Atkinson and Ashe stated to the House that they had been incorrectly reported as having voted for Mr. Hargrove as Speaker, whereas they voted for Mr. Jarvis.

A message was received from the Senate informing the House of their organization and readiness to proceed to business.

A communication was received from the citizens of Raleigh, inviting the General Assembly to participate in the Lee Memorial ceremonies to morrow.

On motion of Mr. French, it was agreed that when the House adjourn it adjourn to meet on Friday morning at 10 o'clock.

Mr. Strudwick presented a memorial from J. G. Moore, of Alamance, in reference to his arrest and ill-treatment by one Geo. Kirk and an armed band, and the intimidation and outrage practiced upon citizens of Alamance before and during the election by Kirk and his band.

During the reading, Mr. French arose and said that it was always customary to inform the Governor of the organization of the House and receive any communication he might wish to make. He moved, therefore, to dispense with the reading of the memorial until such action had been taken.

This occasioned some debate. Messrs. Welch, French and Justice advocating the suspension, and Messrs. Houston, Strudwick, Gregory and others opposing it.

On the motion to suspend the reading the yeas and nays were called and the motion prevailed by the following ballot:

YEAS.—Anderson, Brown, Bryant, Bryson, Bunn, Buxton, Carson, Collis, Copeland, Crawford, Dickey, Dudley, Duckworth, Ellison, Faulkner, Fisher, Fletcher, French, Garrison, Grayson, Harris, of Franklin, Harris, of Guilford, Hargrove, Hardy, Johnston, of Buncombe, Johnson, of Edgecombe, Jones, of Northampton, Jones, of Caldwell, Justice, Rollins, Lyon, Mabson, Morris, Morgan, of Montgomery, Morgan, of Wake, Mills, Mitchell, Nisson, Page, Parrot, Powell, Reavis, Robbins, Shull, Smith, of Halifax, Tucker, Welch, White, Willis, Womack, Woodhouse, Williamson, Young, of Wake.—Yeas 55.

NAYS.—Armstrong, Ashe, Atwater, Atkinson, Brooks, Broadfoot, Bryan, Chamberlain, Clinard, Currie, Dunham, Furr, Gambrel, Gore, Gulick, Gregory, Hampton, Henderson, Houston, Hill, Hinnant, Johns, Joyner, of Johnston, Jordan, Kelly, of Davie, Kelly, of Moore, Kincade, Lassiter, Lucas, Luckey, Marler, McAfee, McNeill, Nicholson, Rankin, Reid, Robinson, Settle, Smith, of Anson, Smith, of Wayne, Sparrow, Stanford, Stewart, Strudwick, Waring, Wilcox, Young, of Yancey, York.—Nays 49.

Mr. Sparrow offered a joint resolution raising a Committee of five, three on the part of the House and two on the part of the Senate, to wait on the Governor and inform him of the organization of the two Houses, and to receive any communication he might have to make. The resolution was adopted, and the Chair appointed Messrs. Sparrow, French and Robinson, on the part of the House.

By Mr. Marler: A resolution that the House take no *per diem* for Wednesday and Thursday, (days of adjournment.) The resolution was placed on the Calendar.

By Mr. Sparrow: Resolution raising a Committee of five to report rules for the government of the House, and until such report was made that the House be governed by the rules of the last House. The resolution was adopted.

By Mr. Strudwick, a bill to repeal the act "To secure better protection for life and property. (Holden-Kirk war bill.)

Mr. Strudwick moved to suspend the rules and put the bill on its passage.

Mr. French called for the yeas and nays on the motion.

The call for the yeas and nays being sustained, a vote was taken which resulted in the following ballot:

YEAS.—Anderson, Armstrong, Ashe, Atwater, Atkinson, Brooks, Broadfoot, Brown, Carson, Chamberlain, Clinard, Crawford, Dickey, Dunham, Furr, Gambrel, Gore, Gulick, Grayson, Gregory, Hampton, Harris, of Guilford, Henderson, Houston, Hill, Johnston, of Buncombe, Johns, Jones, of Caldwell, Joyner, of Johnston, Joyner, of Pitt, Jordan, Kelly, of Davie, Kelly, of Moore, Kincade, Lassiter, Lucas, Luckey, Marler, Maxwell, McAfee, McNeill, Mills, Mitchell, Nicholson, Nisson, Powell, Rankin, Reid, Robinson, Settle, Shull, Smith, of Anson, Smith, of Wayne, Sparrow, Stanford, Stewart, Strudwick, Tomlinson, Waring, Welch, Wilcox, Womack, Young, of Yancey, York.—65.

NAYS.—Bryant, Bunn, Buxton, Collis, Copeland, Dudley, Duckworth, Ellison, Faulkner, Fletcher, French, Harris, of Franklin, Hargrove, Hardy, Hinnant, Johnson, of Edgecombe, Jones, of Northampton, Justice, Rollins, Lyon, Mabson, Morris, Morgan, of Wake, Page, Parrot, Reavis, Robbins, Smith, of Halifax, Tucker, White, Willis, Williamson, Young, of Wake.—Nays 35.

Mr. Justice raised the point that by a rule of the House now in force, a two-third vote was requisite to carry the motion.

The Chair sustained the point and the bill went over.

Mr. Sparrow from the Committee appointed to wait on the Governor, reported that His Excellency would communicate with the House at half past 12 o'clock.

On motion of Mr. French, the House took a recess until half past 12 o'clock.

At half past 12 o'clock the House was called to order.

The Chair appointed Messrs. Welch, Sparrow, French, Strudwick and Crawford as the Committee to report rules.

Mr. Welch moved that the members of the House be requested to meet in this Hall to-morrow morning at 10 o'clock, to take steps to participate as an organized body in the Lee memorial ceremonies on to-morrow. The motion was adopted.

Here the Private Secretary of the Governor was announced, bearing the annual Message. The Message was read at length by the Clerk.

On the conclusion of the reading of the message proper, Mr. Welch moved to dispense with the reading of the accompanying documents and to send the message to the Senate.

Mr. Justice moved to amend by directing the Clerk to have the message printed and twenty copies furnished to each member.

On the adoption of the amendment by Mr. Justice, Mr. French called for the yeas and nays.

The call for the yeas and nays being sustained, the amendment was rejected by a vote of yeas 38, nays 64.

Mr. Welch called the previous question on his motion.

The call for the previous question was sustained and the motion to communicate the message with accompanying documents, was adopted.

By Mr. Welch, a resolution ordering the flag on the Capitol be placed at half mast and the bell be tolled as on funeral occasions on to morrow when the Lee Memorial Ceremonies take place. The resolution was adopted.

Falkner, col., moved that Cook, col., of Caswell, be allowed to qualify. Cook came forward but being without credentials, Mr. Sparrow objected and the motion to allow him to qualify was withdrawn.

On motion, the House adjourned until Friday morning at 10 o'clock.

TO THE HONORABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF NORTH CAROLINA.

Humbly complaining, showeth unto your honorably body, that your memorialist, J. G. Moore, is a citizen of the county of Alamance and the State of North Carolina. That in the month of July last, the said county was invaded by an armed force of ruffians, mostly from the State of Tennessee, under the command of one George W. Kirk, of East Tennessee, who acted under the orders, advice and direction of Gov. W. W. Holden.

Your memorialist with some forty other citizens of said county were arrested by said armed ruffians without warrant, charge or accusation.

Twenty or more were removed to Camp Holden in Caswell County and there detained as prisoners of war under strict military guard.

Twenty voters of said County on the march to Camp Holden camped on Wednesday night, before the election at Moore's Store, a voting precinct in Alamance County.

The polls were opened at that place on Thursday morning, the prisoners insisted on voting, but were not allowed to do so, while the negroes driving the wagons of the said George W. Kirk, were allowed to vote. Kirk's armed ruffians appeared at the polls in said County producing such terror and dismay among an unarmed people as to prevent a full free and fair election. Free born citizens of the county were imprisoned, manacled, and even hung like dogs by the neck to trees in the woods.

To show the cruel, vindictive and brutal punishment inflicted upon free men without a hearing or trial your memorialist begs of your honorable body, to receive as a part of this memorial and complaint the affidavits of Lucian H. Murray, D. W. Weedon and George S. Rogers, filed and sworn to before Judge Brooks of the Circuit Court of the United States.

UNITED STATES OF AMERICA,
DISTRICT OF NORTH CAROLINA.

Lucian H. Murray being duly sworn deposeth and said, that he is a citizen of the United States, and of the State of North Carolina, residing in the town of Graham, in the county of Alamance in said State; that he belongs to no military organization and is in no manner subject to military law, but that his occupation is that of a Clerk and salesman in a retail store in said town, of Bason & Son; that he is a native of and has all his life, resided in the said county of Alamance, and is now of the age of twenty seven years. That on the 27th of July last, being informed that a guard of soldiers from the camp of G. W. Kirk, at Company Shops, had been to his place of business to arrest this affiant, while he was absent therefrom, he went to the said camp and reported himself to the B. W. Burgen, who claimed to be Lieutenant Colonel under said Kirk, in the command of a regiment which they called "State Troops," that said Burgen immediately ordered this affiant to be put under guard and detained in said camp as a prisoner. This affiant was placed in a tent with two other persons also prisoners; and in the night succeeding, about 1 o'clock, A. M., the said Burgen came to the tent, with a candle, and addressed this affiant, who was awake, asking, "Is that you Murray?" to which affiant replied, "Yes." Said Burgen then retired to his own tent, and shortly afterwards came back without a light and touched this affiant upon his feet, and in a low tone of voice ordered him "to get up," the other two prisoners being apparently asleep. This affiant replied, "very well, can I get my shoes?" The said Burgen answered "no, you will not need them long." He then took this affiant to his own tent where there were three of his men armed with pistols, the said Burgen then said to this affiant that "he must tell him all about the hanging of Wyatt Outlaw." This affiant replied, that he knew nothing about it, and that he did not know that Outlaw had been hanged till after sun rise the morning after it was done. The said Burgen replied, "it is a damned lie, I know that you do," and proceeded to say, that there was an affidavit filed in his office against this affiant, stating that he, this affiant, had seen Outlaw hanged by one Adolphus Moore.—This affiant replied, it was false, that he knew nothing about it—the said Burgen put a rope around the neck of this affiant and said, "Patton and Rogers, (alluding to two others of his prisoners) knew nothing about it till they were hung up, and they could then tell all about it, and you must do the same." He then took this affiant to a tree, about fifty yards from his tent, with the three armed men aforesaid, threw the end of the rope, still on this affiant's neck, over a branch of the tree, and having already tied this affiant's arms in the manner usual with criminals about to be executed, he, the said Burgen, drew the rope and swung this affiant up by the neck. After suspending him, for a short time he was let down, the said Burgen asked him if he would confess then, this affiant replied, that he knew nothing to confess. The said Burgen and his men, aforesaid, then presented their pistols at this affiant's breast and threatened to blow his heart out if he did not confess. This affiant still refusing to make the admission demanded, the said Burgen seized the rope and again hoisted this affiant from the ground, more roughly than before, and suspending him longer, upon being let down this affiant was unable to speak for some time. The said Burgen then said, "now confess that you saw Moore." Affiant replied, he could not do it, said Burgen replied, "you must acknowledge it or die," and said to one of his men, "Sergeant, hang him up to that tree and let him hang till 8 o'clock in the morning, then cut him down and bury him under the tree." After other conversation and threats of killing this affiant, the said Burgen said to this affiant, "I will now give you until to morrow night, and if you don't confess then, I will kill you dead." Affiant replied, "I will never confess, for I have nothing to confess." This affiant was then taken back to his tent, aforesaid, after being charged to say nothing about what had occurred, and threatened with death if he divulged it. He was not tortured again, but has been held by the said Kirk as a prisoner until brought to Salisbury before His Honor, Judge Brooks, on yesterday.

UNITED STATES OF AMERICA,

D. W. Weedon being sworn, deposeth and saith, that he is a citizen of the United States and of North Carolina, now residing and has always resided in the county of Alamance, in said State, that he is in no military organization and in no way subject to military law.

That on or about the 23rd of July last, he, this affiant, was arrested by one B. W. Burgen, claiming to be Lieutenant Colonel of a body of armed men, called by him North Carolina State troops, encamped at Company Shops in said County, no cause being assigned for said arrest; and detained with sundry other citizens of the State, held also as prisoners by the said Burgen, and G. W. Kirk, who claimed to be Colonel of the said troops. That he was paroled at one time for two or three days, with an obligation to report to said Kirk at Yanceyville, when he again went into confinement with many other prisoners, that while thus confined in the upper room of the Court House at Caswell, upon seeing a soldier below carelessly handling a pistol, he, this affiant, remonstrated, that he might shoot someone. The soldier immediately replied with an oath, "I will shoot you," and fired his pistol, the ball passing near the head of this affiant. From this time forward this affiant seemed to have incurred the hostility of said Kirk and his officers, who cursed and maltreated him on divers occasions; that after the service, on said Kirk, of the writ in this case, he went with this affiant and other prisoners to Graham, in Alamance county, and confined his prisoners, this affiant among them, in the Court House there, that on Tuesday afternoon of the present week, this affiant was taken by a Lieutenant and guard, of said Kirk, and carried to the common jail of said county, and there confined until Tuursday, when with the other prisoners aforesaid, he was brought to Salisbury. That on the morning after this affiant was committed to jail, a Lieutenant Banner, of the said troops, who seemed to be the keeper of the prisoners, who had been committed to jail, placed an iron manacle on one of the legs of this affiant above the ankle, to which was affixed a chain and staple, fastening it to the floor; that the said Banner riveted the manacle on the leg of this affiant in a very rough manner, giving to this affiant great pain in the operation; that he was kept thus ironed until taken from the jail aforesaid, to be carried to Salisbury before His Honor Judge Brooks. That this affiant was never informed of any charge against him, on which he was arrested and confined, and had done nothing to provoke the cruel usage aforesaid, to which he was subjected. That during all the time of this affiant's confinement in jail he suffered for the want of water to drink; a small quantity of stale water in a cantern was placed by him soon after his commitment to jail, and none other furnished to him during his confinement, he asked for water several times, and it was refused and he was cursed in every instance. When food was sent to him, by the citizens of Graham, the guard threw it to him on the floor of the jail and forbid him to use a knife, fork or spoon, presenting their pistols in his face and threatening to shoot him at the same time.

George S. Rogers being duly sworn deposeth and saith, that he is a citizen of the United States, and of the State of North Carolina, that he is a native of the county of Alamance, in said State, has always resided and still resides in the same; that he is now nineteen years of age and resides in the family of his parents, that on Wednesday, the 26th of July last, he was arrested by one Hunnycut, claiming to be a Lieutenant in a body of troops encamped at Company Shops, under the command of one George W. Kirk. After being arrested this affiant was required to accompany a squad of these armed men in traversing the county and arresting others, and finally reached the camp, aforesaid, near 10 o'clock that night. On the next day one B. W. Burgen, claiming to be Lieutenant Colonel of the troops, aforesaid, began a conversation with this affiant, and after it had been some time continued, inquired of him whether he knew Adolphus Moore. Affiant replied, that he knew him by sight, but had little acquaintance. Said Burgen then told this affiant that he, this affiant, knew something of the murder of Wyatt Outlaw; this affiant denied it. The said Burgen after pronouncing the denial a *damned lie*, said he would give this affiant till that night to tell about it. This night about 10 or 11 o'clock, the said Burgen took this affiant to his tent and asked if he was ready to tell about the murder of Outlaw. Affiant replied, that he had told him all he knew. Said Burgen then said, "stop right there, you are telling a damned lie, I know that you do know, and will make you tell it." He then took this affiant, accompanied by said Hunnycut and several men, to the woods and again asked the affiant if he would then tell about the murder? Affiant replying as before, the said Burgen said that Patton did not know anything till he hung him up, and then he could tell all about it. He then asked affiant if he had anything to say, this affiant replied, that he had said all he wished to say. Having put a rope about the neck of this affiant shortly after leaving the tent, the said Burgen then ordered the Lieutenant, who threw the rope over the branch of a tree, to swing this affiant up. The Lieutenant drew until the rope was stretched tight around this affiant's neck. Said Burgen then told the Lieutenant "that will do," and asked affiant if he would then confess, and the same reply was given as before. Affiant has been kept as a prisoner until released by His Honor, Judge Brooks, on yesterday.

While these outrages against humanity and civilization were perpetrated, A. G. Moore and other good citizens of the county petitioned Chief Justice Richmond M. Pearson for writs of *habeas corpus*; the writs were granted, but the Chief Justice did wickedly and corruptly refuse to give them the relief which that great writ guarantees an I accures to every citizen.

Wherefore, and inasmuch as the said Governor W. W. Holden, and the said Judge R. M. Pearson did outrage and oppress your petitioner and divers others of said county in their persons, and did violence to the dearest and most sacred rights of every free man of North Carolina; the Governor by acts of commission and the Judge by acts of omission, your petitioner prays that the conduct of said Governor and Chief Justice be inquired into by your honorable body, and if compatible with justice, that they be impeached, convicted and deposed. And your petitioner as in duty bound will ever pray &c.

THE LEE MEMORIAL.

The procession will form this morning, in the order heretofore announced, in front of the Executive Mansion, at the foot of Fayetteville street, at 11 o'clock, and will move thence to Tucker Hall.

It is desirable that the recommendations of the Committee shall be complied with—that the places of business be closed, &c.

The exercises will commence immediately after the arrival of the Procession at the Hall.

Let the occasion be worthy of the City, the State, and the Illustrious Dead!

AN ERROR.—We regret very much that it appeared in the proceedings of the House on Monday, in the edition which we sent West, that Mr. Ashe was reported as having voted for Mr. Hargrove as Speaker. Mr. Ashe voted for Mr. Jarvis.

We have also to apologize to Mr. Atkinson for the same. Mr. A. is a staunch Conservative and of course voted for Mr. Jarvis.

THANKS.—We are indebted to Col. Settle, brother of Associate Jutsice Thos. Settle, for a club of twenty one subscribers to the SENTINEL, with the "accompanying documents," for which we tender our thanks.

NO PAPER TO-MORROW.—To-day being set apart for the observances of the Lee Memorial, and to-morrow, (Tuesday) being set apart as a day of thanksgiving, we shall issue no paper to-morrow morning, that ourselves and our printers may have a chance to partake with others the relaxation of a holiday, and join with others in the observance of the days.

TO LIFE INSURANCE AGENTS.—One of the soundest and best established Life Companies, in this country, with a good list of policies in force in this State desire a man of high character to act as Gen'l Agent. He will be required to travel most of the time, must be a good solicitor and fond of the work. The position offers good pay and prospects of permanent employment.

A. SHORTER CALDWELL,
nov 23-cod6t Charlotte, N. C.

We would say to our correspondent, S. L., of Concord, that we cannot find a copy of the report he asks for. We would refer him to H. W. Guion, Esq., of Charlotte, as being more likely than any one else we know of, to give the information desired.

ATTENTION MECHANICS FIRE COMPANY No. 2.—You are hereby ordered to meet at Fireman's Hall, this morning at 10 o'clock in full uniform. A badge of mourning will be furnished each member at the Hall. All are strictly required to attend.

By order of the Company,
H. C. HARRIS, Sec'y.

The President is said to be busy on his annual message. It will be brief and devoted mostly to the finances of the country.

Rev. Henry Keeling, an aged and well known clergyman of the Baptist Church, died in Richmond, on Saturday last.

Wyman the wizzard is on his winding way in this direction. He will be in Raleigh this winter. The papers say his tricks are all new.

The winding up of the ginger's work in Halifax county for the season, shows thirty-three distilleries against seventeen last year, and nine thousand gallons of brandy made against four thousand last year. Besides this there has been vast quantities of fruit wasted by being eaten, dried or manufactured into pies and things.

EXACTLY.—A letter, says the Asheville *Citizen*, has been received from Mr. Woodfin, in which he states that no money has been secured, but he is still hopeful We told the *Standard* so.

Shall Nature be Sustained?

To give debilitating medicines to the weak is about as bad as it would be to try to help a man to his feet by kicking him when he was down."

That sort of practice is going out of fashion It has filled so many graveyards that people no longer believe in it.

If those who are not strong by nature expect to avoid the attacks of disease, they must endeavor to acquire the vigor necessary to resist it.

How is this to be done? Common sense suggests by the use of invigorating medicine.

The great object is to STRENGTHEN THE SYSTEM WITHOUT EXCITING IT.

This object is accomplished by the judicious use of the most potent and genial of all vegetable tonics and alteratives, Hostetter's Stomach Bitters.

Many valuable properties are combined in this preparation. It improves the appetite and renders digestion easy and perfect.

It gives steadiness to the nerves, induces a healthy, natural flow of bile; prevents constipation without unduly purging the bowels; gently stimulates the circulation, and by promoting a vigorous condition of the physical system, promotes, also that cheerfulness which is the truest indication of a well-balanced condition of all the animal powers.

Summer leaves both the body and the mind more or less exhausted. Now is the time to recruit them, and thus forestall the malarious fevers and other complaints which prostrate so many thousands every Fall.

A FAVORABLE NOTICE!!—The good reputation and extended use of "*Brown's Bronchial Troches*" for Coughs, Colds, and Throat Diseases has caused the Troches to be extensively imitated. Obtain only the genuine "Brown's Bronchial Troches," and do not be influenced by those who make more profit by selling worthless imitations.

CONSERVATIVE MEETING LAST NIGHT.—The Court House was crowded last night at the Conservative meeting and the liveliest enthusiasm characterized the proceedings. A number of gentlemen addressed the meeting in telling speeches. We believe our people are thoroughly aroused to the duty of a full vote on Saturday. Roll on the ball; the news from all parts of the district is of the most cheering character. Let our friends bestir themselves and we shall elect Mr. Manning and Dr. Dunn by hand-one majorities.

THE WEATHER.—After a long spell of open pleasant weather for the season, we are having a touch of Northeast wind and rain that makes overcoats and umbrellas quite necessary out of doors, and increases the demand for coal and wood to keep the inside of the house comfortable.

To-morrow is appointed as thanksgiving day, and many of us have much to be thankful for, but, unless those who have the means, should open their hearts and their purses or pantries to the destitute, and the present weather should continue, we fear many a poor sufferer will feel more like shivering than joining in thanksgiving.

CHARLOTTE FAIR.—We are indebted to M. L. Wriston Esq., President of the Mecklenburg, Yadkin and Catawba Agricultural Society, for a ticket to the Fair of the Society which commences in Charlotte on the 30th inst.

The President seems to be reconstructing his social correspondence; he has cut Jim Fisk, tabooed Corbin and become too busy to "see" Carl Schurz. We have not learned what his feelings towards Holden, Settle and Pool are, since they so belooed him about the North Carolina Ku Klux; it is probable he has not yet turned his attention to such "small deer."

We publish the following by request.—We presume that, should the Legislature order an election for Alamance, our friends there will hold a Convention to nominate a candidate:

MR. EDITOR:—The friends of Green Andrews, Esq., would respectfully suggest his name as a suitable candidate for the House of Representatives, in the General Assembly of North Carolina, from the county of Alamance, in case the present Legislature does the people of this county the justice to have a new election. Few men in the county have suffered more indignities by lawless despots for their devotion to conservative principles than Mr. Andrews, and if honored to a seat in the Legislature no man would watch, with greater care, the interest of the people of Alamance than himself. MANY CITIZENS.

RASCALITY RAMPANT.—A number of persons in this city and county have received lithographed letters from Owen Brothers of New York, of which the following is a copy. We have not heard of any one succeeding to the proposition:

"OWEN BROTHERS,
No. 38 Liberty street, New York.

My Dear Sir: We wish to secure the services of a live gentleman to push the business named in the enclosed circular, and have been informed by a friend who knows you well that you are highly suitable to represent us. As we have had many dealings with that gentleman, and know him to be an upright and honorable man, any friend of his will receive our utmost confidence, we therefore feel that there is no risk in confiding to you our secret.

Now if you will agree to start this business at once, we will, in this instance, deviate from our usual custom of requiring all cash in advance, and supply you on the following terms, leaving you to pay the balance as early as possible.

Upon receipt of $10, by express, prepaid, we will forward by express such denominations as you may desire, amounting to not over $1,000. You can have any quantity above $1,000 by paying 10 per cent of the price. For instance, a $2,500 package would cost you $25 in advance. For a $5,000 package we should require $50 in advance.

By ordering a $2,500 package you will secure the exclusive right of sale for your State. You can then use your own discretion in employing agents to assist you. We will give $1,000 for any single note that cannot be passed. Many attempts have been made to produce these notes perfect, but have only resulted in failure and often arrest. We alone have succeeded, and stand unrivalled to-day, defying both detection and competition.

We know you will serve us faithfully and truly. You cannot afford to deceive us. State the amount and denominations required. When you send the money *please pay the express charges*, deducting the amount from the principal to pay same.—Whatever you do, don't write by mail, as we will not claim or receive any letters from the postoffice. *Send only by express, prepaid.*

Awaiting your early reply, we are, yours fraternally, OWEN BROTHERS.

☞ Take notice, that by remitting $25 to us by express, and ordering a $2,500 package, you will secure the agency for your State.

Please return this letter to remind us."

A YOUNG LADY TO BE RAFFLED OFF.—The managers of the "Grand Metropolitan Bazaar for the Benefit of the New York Foundling Asylum" have surpassed all their rivals thus far in the allurements held out to their patrons. They have discovered, as we learn from the *Commercial Advertiser*, a young lady—"an heiress, beautiful and accomplished"—who consents to be raffled for at so much a chance—no married man, or bachelor over thirty-five, to be permitted to take a ticket. This young lady is convinced that a marriage is a lottery" anyhow, and thinks she is just as likely to get raffled off to a good husband as to reach that destination by the ordinary process of courtship and marriage.

THE supreme court of the United States has decided to wait until there shall be a full bench before reviving the question of the constitutionality of the legal-tender act. This is a manifestation of respect for propriety which will be generally approved. Let us hope that when the decision shall be made, it will bear no evidence that the case was prejudged in the appointment of justices.

SOMETIME since an announcement extraordinary was made by the SENTINEL, that it knew of twelve orders having been given our Milliners in one day for Bridal Bonnets, and expressed some surprise at the number &c

Our friend Moore was not in the secret. I propose now to tell him and every body else, that it was not surprising at all

Every one of those happy Bridegroms were patrons of Pink C Hardie and purchased their Cigars and Tobacco of him which imparted a fragrance to the breath which was perfectly irresistable. Sourdout is no here.

Every body knows what a horrible scent is imparted by a horrible Cigar or Chew Tobacco as I dont keep" and no one discovers it sooner than the ladies.

EXAMPLE, BETTER THAN PRECEPT, AND

TO ALL WHOM IT MAY CONCERN.

THE subscriber has been interrogated within the last few days by a very considerable number of persons in reference to the fact as to whether our lately departed fellow citizen, the Rev. Wm. E. Poll was or was not insured in the Ætna Company. And now my reply is given in this public way for the information of all those who may feel a true and personal interest in the temporal comfort and prosperity of those so nobly and faithfully represented while living. He was one among many of the first who took policies in this Company in 1866. His example in Church and State are worthy of the highest Commendation and emulation by every one. He sought first his personal salvation, and then used all legitimate means to provide for those he loved best. He insured in the Ætna Company for $10,000 about the time that Gov. Worth took $5,000, R. Andrews $10 000, J. A. Moore $15,000, A. Kline 5,000, and many others who might be named. "He who provideth not for his own and especially for those of his own house will find what he is compared to in Holy writ, a word to the wise is sufficient, and in conclusion we say be advised while in health to follow the example of our friend. And if the Ætna Company after having paid already $181,000 to the widows and orphans of the State is not approved of and worthy of your confidence, we will say insure in the next best you can find.

FORTRESS MONROE, Nov. 22.—A heavy Northeast storm is prevailing

MEXICO

CITY OF MEXICO, Nov. 9.—Congress by a large majority continued the Zamalara Ministry. Romero strongly opposed its continuance but thirteen States threatened revolution, unless the Zona Labra was continued. Juarez has entirely recovered.

The telegraph between the City of Mexico and Texas will soon be a reality.

WASHINGTON, Nov. 21.—Later from the city of Mexico. During the discussion on extending the Zona Libra or free Zone, much ill-feeling against the United States was manifested.—Many members state in casting the final vote, that the United States having demanded the removal of the free Zone, they voted for its continuance as an expression of defiance to the Yankee nation.

FOREIGN.

LONDON, Nov. 21.—All leaves of absence have been cancelled, and the guards are ordered to prepare for active service.

The feeling to-day on the Eastern question is healthier, and confidence is in a good part restored in money circles.

Bulletin dated from Paris at midnight reports everything entirely quiet, and meat is limited to 50 grammes per day. Horse flesh and vegetables still abundant. All unmarried men between 20 and 35 are enrolled in the National Guards.

BERLIN, Nov. 22.—It is reported that Paris is disposed to yield.

MADRID, Nov. 21.—The *Imparcial* says, the formal acceptance of the throne of Spain by Amata is received. An escort squadron leaves Carthagena for Genoa next Friday.

FLORENCE, Nov. 21.—Partial returns warrant the statement that the government is sustained by a vast majority.

LUXEMBURG, Nov. 22.—The *Echo* says, the Franc-tireurs were successful against the German Uhlans near the border. Over a thousand Uhlans were driven in Luxemburg and disarmed.

The siege of Montmedy continues. The garrison made a sortie on the 19th and 500 Germans were killed, captured or wounded. The besiegers have since withdrawn beyond the fire of the garrison.

WASHINGTON.

WASHINGTON, Nov. 22.—Advices from Mexico says that the conditions tacked on to the Tehuantepec Railroad bill were such as to render the concession nominally worthless. Juarez has prepared a bill for Congress, with certain observations, and it is believed the measure will pass in an acceptable shape soon.

The Paris Constitutional says that Russia errs in thinking that the neutrality of the Black Sea a Napoleonic idea. It is the traditional policy of France.

A special telegram to the *Times* this morning from Berlin, says: "Russia is seeking to prove that the story of her buying an American fleet to serve as a Black Sea squadron, is untrue. Her language is pacific. Prussia it is expected will sustain a peaceful solution of the question between Russia and the other Powers, relative to the Paris treaty of 1856. The *Morning Post* officially denies that Bismark repudiates the existence of an understanding with Russia about the Eastern question.

LUXEMBURG Nov. 22.—The bombardment of Thionville, by the Prussians was very active today. The shots average about eighteen per minute. The cannonade is very distinctly heard here

(special to the New York World.)

LONDON Nov. 21.—A special dispatch to the New York World, dated Berlin, Nov 22nd, says: According to the latest information received from Versailles incessant exertions are directed to the formation of a second outer line of investment, to cover the operations of the inner line. The strategy of D'Aurelles is understood at Versailles and been met by counter movement. With his center at Orleans, D'Aurelles has extended his lines north and south, intending to inclose the Germans on both flanks. The latter have executed similar movements, falling back at the same time towards Paris.

D'Aurelles' line is now said to extend from Le Mans, though Vendome, Orleans and Bourges to Nouves. His main body rests along this line, while it is feared that a large section of his force has passed North towards Evereux

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES
120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000 and constantly increasing
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4 000,000.
6. Such payments are made in cash, and not partly in cash and notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1,500,000, and upwards, in cash divided among policy-holders (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, (instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected, and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Tontine Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,031,14[illegible].
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by the new business for last year, being nearly $13,000 000 greater than any other company.

DR. A. TOUSEY'S
Bronchial Syrup.

This BRONCHIAL SYRUP is a safe and certain remedy for SCROFULA in many of its varying forms. Its effects are speedy and permanent. It cures Tightly Coughs, Colds, Croup, Bronchitis, Asthma, Consumption in its early stages, Dyspepsia, Loss of Appetite, General Debility, &c.

This preparation is perfectly harmless, never producing any unpleasant symptoms, or the slightest injury to the most delicate stomach. Its results are tonic and invigorating, giving a good and healthy appetite. It is compounded of fresh and unadulterated materials which, from their combination, exercise an alterative influence over the entire system. This Medicine is also efficacious upon the Air Passages, curing Coughs, Colds, Croup, Asthma, and Bronchitis, Incipient Consumption, and also upon the Alimentary Canal, stimulating and strengthening its action, and driving out that Hydra-headed enemy, Dyspepsia.

It has been tested by large numbers of persons, and has invariably given relief and satisfaction. It is also recommended by many prominent physicians in this State.

Among those who have tested it and testified to its efficacy, we mention Rev. J. H. Daily, M. D., Wadesboro, Rev. Rev. J. B. Bobbitt, Gov. Holden, Rev. W. H. Wills, Rev. T. M. Jones, A. P. Hawkins, M. D., Rev. C. F. Biddick, Bishop D. S. Doggett, Senator O. P. Pearce, Ex-Gov. A. Bandier, Rev Dr Chambers, Rev. R. S. Watson, Hon. A. W. Venable, Bishop Davis of S. C., Rev. S. F. NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the Right can make 5 to 10 bbls. of the Fluid in an hour.

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allsuph Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 180,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PRESS A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet; Size Bale 4½ feet x36x28x36in; wt. Bale 400 to 550 lbs.

THOS. H. BRIGGS.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the *pain upon which the Utley Press works* cheaper, simpler and more durable than any I have met with.

Yours very respectfully,

T. H. BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton, also other crops for my neighbors, making in all one hundred bales. I packed bales weighing from four hundred to five hundred and ninety-seven pounds.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
